The image shows a web application interface for EMS Ciputra. The top navigation bar includes a browser address bar with the URL 'https://ems.ciputragroup.com:11443/index.php/Transaksi/P\_unit' and a user profile 'R. Fajrika Hadnis Putra'. The left sidebar contains a menu with categories like 'PROYEK', 'Global', and 'Setting'. The main content area is titled 'Dashboard Unit' and features a search bar 'Kawasan - Blok - Unit - Pemilik :'. Below this, there are three main sections: 'Info Unit', 'Info Customer', and 'TagihanUnit'. Each section has a table of data and a 'Read More' button. A modal window titled 'Cetak Kwitansi' is open, displaying a table of transaction details with columns for Service, Cara Pembayaran, Tanggal Bayar, No. Kwitansi, and Cetak. The modal also has a 'Close' button. The bottom section of the dashboard contains 'Action Unit' and 'Action Lain' buttons.
